Creating designs for Carnival holds immense significance, as it embodies our journey towards emancipation. Being a part of a community that enables me to facilitate self-expression for our people through my designs is an honor I deeply cherish.

ABOUT TXD

● TANGLED

2023

MASQUERADER COUNT: 165

THEME: ONCE UPON A TIME

Taking a captivating journey into the realm of fairy tales, we explored the enchanting world of "happily ever after," drawing inspiration from Disney's beloved movie, Tangled. Infused with the main character's palette of pink, purple, and touches of blue and silver, our design brings this magical narrative to life.

On August 5th, 2023, we unveiled a creation that captures the essence of this enchanting tale in a stunning and imaginative way.

THE KINGDOM OF ANCIENT GREECE

2022

MASQUERADER COUNT: 175

THEME: ANCIENT KINGDOMS

In 400 BC, amidst Greece's well-known beauty, the ancient city of Amphipolis witnessed an epic battle between Spartans and Athenians.

This design embodies Amphipolis' intense past with a dark and edgy palette of black, turquoise, beige, and gold, symbolizing the strength used to defend this Kingdom's home and honor.

In 2022, Ancient Greece's spirit dominated the stage, taking over the Toronto streets,

MAGIC DUST

2019

MASQUERADER COUNT: 160

THEME: MAGIC

What is magic without a touch of *Magic Dust* to spark things up! This design seamlessly came together with a soft nude foundation, glistening diamond beads, and the dynamic colours of beige and royal blue feathers, infusing a touch of sparkle. The result was nothing short of magical as *Magic Dust* graced the roads of the 2019 Caribana Parade.

RED QUEEN

2018

MASQUERADER COUNT: 145

THEME: ALICE IN WONDERLAND

Among the iconic characters from the film *Alice in Wonderland*, the queen of hearts stands out as my primary muse. Incorporating shades of red, burgundy, gray, and highlighted with gold accents, my second creation, "The Red Queen" came to life.

DUBAI

2017

MASQUERADER COUNT: 110

THEME: AS ONE NATION

The Dubai night sky served as the inspiration for this design, where a blend of iridescent purples, blues, and chrome silvers were harmoniously combined to give rise to the essence of DUBAI.

MONDAY WEAR

DESIGN PROCESS

I create personalized Monday Wear outfits for numerous carnivals including Trinidad, Jamaica, St. Lucia, Miami, and beyond. I begin the process by engaging in a brief consultation with each client to understand their preferences and creative direction.

A fusion of the client's concepts and my own creative input is then translated into a collaborative sketch, which serves as the blueprint for bringing the Monday Wear creation to life.
